

REMARKS

This Election is in response to the Restriction Requirement of May 13, 2009 in which the Examiner identified two groups of claims and required election. The Applicant hereby elects the Group I claims 1, 3-8, 11-17, 28 and 29 for examination on the merits with traverse.

Claim 22 of the Group II claims has the same structure as claim 1 of the Group I claims and would not require any extra search burden or consideration on the part of the Examiner. Similarly, claim 23 merely further limits claim 22 such that the program code is downloaded from a server installed the computer or the network device. This likewise would not impose any added burden. Withdrawal of the restriction requirement is requested.
